General Biology II

Lab Practical 2

Student Study Guide

The Academic Support Center @ Daytona State College (Science 35 Page 1 of 221)

Phylum Porifera

Sub phylum Calcarea Silacea

Class Demospongiae

The Academic Support Center @ Daytona State College (Science 35 Page 2 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 3 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 4 of 221)

Leucosolenia Cross Section

The Academic Support Center @ Daytona State College (Science 35 Page 5 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 6 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 7 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 8 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 9 of 221)

What Is the "skeleton" (Spicules) made of for a sponge in the Calcarea sub phylum?

Calcium

What about Silacea? Silicon

The Academic Support Center @ Daytona State College (Science 35 Page 10 of 221)

Phylum Cnidara

Class Hydrozoa Scyphozoa Anthozoa

The Academic Support Center @ Daytona State College (Science 35 Page 11 of 221)

Hydra, Plain Budding

The Academic Support Center @ Daytona State College (Science 35 Page 12 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 13 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 14 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 15 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 16 of 221)

Aurelia

What type of Symmatry do cnidarians have?

Radial

The Academic Support Center @ Daytona State College (Science 35 Page 17 of 221)

Copyright 2003 Marc Perkins

The Academic Support Center @ Daytona State College (Science 35 Page 18 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 19 of 221)

Do Hydrozoans have a medusa stage?

The Academic Support Center @ Daytona State College (Science 35 Page 20 of 221)

Phylum Platyhelminthes

Class Turbellaria Tremotoda Cestoda

The Academic Support Center @ Daytona State College (Science 35 Page 21 of 221)

Tapeworm

What sex is this tapeworm?

Male and Female! Each proglottid contains both male and female organs!

The Academic Support Center @ Daytona State College (Science 35 Page 22 of 221)

What is the head of a tapeworm called? Scolex

What is the "Crown" structure at the top of the scolex that is often hooked?

Rostellum

What is the name of each segment below the neck, and how do you tell the gender?

Proglottid – each proglottid contains BOTH M and F reproductive organs

What is the name of the entire "body", or the "chain" of proglottids

Strobila- does not contain the head or neck

What is the continuous covering over the tapeworm through which it absorbs food?

cuticle

The Academic Support Center @ Daytona State College (Science 35 Page 23 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 24 of 221)

Planaria

The Academic Support Center @ Daytona State College (Science 35 Page 25 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 26 of 221)

Liver flukes clonorchis sinenis

Liver Fluke – A clearer look

The Academic Support Center @ Daytona State College (Science 35 Page 28 of 221)

Fasciola Hepatica (Liver Fluke)

Phylum Nematoda

The Academic Support Center @ Daytona State College (Science 35 Page 30 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 31 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 32 of 221)

Phylum Rotifera

Rotifers

The Academic Support Center @ Daytona State College (Science 35 Page 33 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 34 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 35 of 221)

Phylum Annelida

Class Oligochaeta Polychaeta Hirudinea

The Academic Support Center @ Daytona State College (Science 35 Page 36 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 37 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 38 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 39 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 40 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 41 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 42 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 43 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 44 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 45 of 221)

Phylum Mollusca

Class Bivalvia Cephalopoda Polyplacophora

The Academic Support Center @ Daytona State College (Science 35 Page 47 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 48 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 49 of 221)

Clam

What part of the clam secretes the shell? The Mantle

The Academic Support Center @ Daytona State College (Science 35 Page 50 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 51 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 52 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 53 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 54 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 55 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 56 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 57 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 58 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 59 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 60 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 61 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 62 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 63 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 64 of 221)

Phylum Arthropoda

Class Arachnida Insecta Chilopoda Piplopoda Crustacea (S)Malacshraca (S)Cirripoda (S)Merostomata

The Academic Support Center @ Daytona State College (Science 35 Page 65 of 221)

Crawfish Testes

The Academic Support Center @ Daytona State College (Science 35 Page 66 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 67 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 68 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 69 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 70 of 221)

Does an arthropod have an exoskeleton or an endoskeleton?

Exoskeleton

What is this exoskeleton made of?

Chitin

Dermacentor Variabilis

The Academic Support Center @ Daytona State College (Science 35 Page 71 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 72 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 73 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 74 of 221)

Phylum Echinodermata

Class Asteroidea Ophiuroidea Echinodea Holothuroidea Crinoidea

The Academic Support Center @ Daytona State College (Science 35 Page 75 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 76 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 77 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 78 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 79 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 80 of 221)

Do echinoderms have an Endo or exoskeleton? What is it made of?

Echinoderms have an Endoskeleton made of Calcium

The Academic Support Center @ Daytona State College (Science 35 Page 81 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 82 of 221)

Water vascular system

The Academic Support Center @ Daytona State College (Science 35 Page 83 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 84 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 85 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 86 of 221)

Phylum Hemichordata

The Academic Support Center @ Daytona State College (Science 35 Page 87 of 221)

Phylum Chordata

Sub Phylum Urchordata Cephalochordata Vertebrata

The Academic Support Center @ Daytona State College (Science 35 Page 89 of 221)

Adult Lancelets (amphioxus) Cephalochordata How can lancelets be distinguished from Juvenile lampreys?

The Academic Support Center @ Daytona State College (Science 35 Page 90 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 91 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 92 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 93 of 221)

Urochordata

Ascidian swimming tadpole

The Academic Support Center @ Daytona State College (Science 35 Page 94 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 95 of 221)

Chordata Class Agnatha Chondrichthyes Osteichthyes Amphibia Reptilia Mammalia Aves

The Academic Support Center @ Daytona State College (Science 35 Page 96 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 97 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 98 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 99 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 100 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 101 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 102 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 103 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 104 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 105 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 106 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 107 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 108 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 109 of 221)

The Academic Support Center @ Daytona State College (Science 35 Page 110 of 221)
